LED / T5 Lighting

G Series

1/14

- Energy saving T5 or LED
- Range of controller options
- Low maintenance and low running costs
- Surface mounted
- Suspension kits also available
- Dimmable and emergency options
- Movement sensor

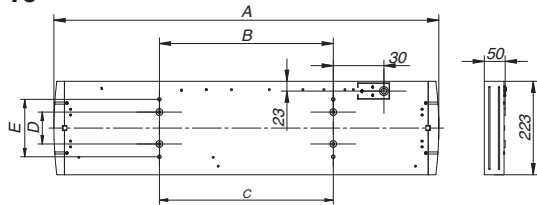

**Fluorel**Lighting  
Lighting for a brighter future

**Fluorel Lighting is a leading supplier  
of innovative energy efficient lighting**

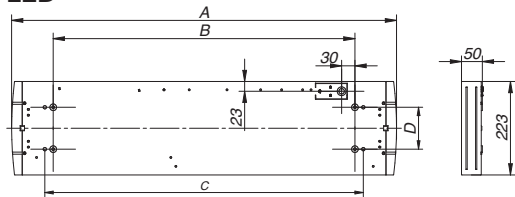

The G Series range of wide body luminaires are available in nominal 1200 and 1500 versions supplied with either parabolic louvre, opal panel, prismatic panel or micro prismatic panel. The G Series is available with either T5 standard or high output lamps or high output LED boards. The fitting can be surface mounted or wire suspended (suspension kit sold separately). Steel constructed body finished in white powder coat, with durable polycarbonate moulded end caps.
