## WELCOME TO ARUNDEL CASTLE & GARDENS

SET HIGH ON A HILL IN WEST SUSSEX, THIS GREAT CASTLE COMMANDS THE LANDSCAPE WITH MAGNIFICENT VIEWS ACROSS THE SOUTH DOWNS AND THE RIVER ARUN.

BUILT AT THE END OF THE 11TH CENTURY, IT HAS BEEN THE FAMILY HOME OF THE DUKES OF NORFOLK AND THEIR ANCESTORS FOR NEARLY 1000 YEARS.

**The original castle** was founded on Christmas Day 1067 by Roger de Montgomery, Earl of Arundel, one of William the Conqueror's most loyal barons. He was awarded a third of Sussex with the stipulation that a new castle be built near the mouth of the Arun to protect the approaches to Sussex from attack.

**Arundel Castle** is one of the longest inhabited country houses in England. Many of the original features such as the crenellated Norman keep, gatehouse and barbican and the lower part of Bevis Tower survive. Between the 1870s and 1890s the house was almost completely rebuilt and the magnificent architecture in Gothic style is considered to be one of the great works of Victorian England.

**Setting the Scene** The Castle has been used on many occasions as the perfect backdrop for historical re-enactments and film and TV productions. In 2009 the Castle played host to the cast and crew of THE YOUNG VICTORIA, starring Emily Blunt.

**Stroll** through the grounds where you will discover different themed gardens; the rose garden planted in contemporary style; the Chapel garden with white and cool coloured plants; the cutting garden with tender perennials and rare plants; the renovated Victorian peach house and vinery where exotic fruits & vegetables are cultivated.

**The Gardens** and grounds are planted sympathetically, and managed with an organic eco-friendly ethos to encourage wild flowers, beneficial insects and wildlife.

**Contemplate** in the 14th Century Fitzalan Chapel, burial place of the Dukes of Norfolk and their ancestors.

**Ascend** to the top of the Norman Motte & Keep that overlook some of the most beautiful downland in England and out to sea.

**Discover** the rich history of The Dukes of Norfolk, the Earls of Arundel and Surrey and the Castle from our friendly and informative guides.

**Enjoy** the grandeur of the finely preserved interior with its fascinating furniture, tapestries and rare collection of paintings by renowned artists including Van Dyck, Gainsborough and Canaletto.

**The Private Chapel** inside the Castle is one of the most perfect monuments of 19th Century Catholic revival in England.

**Admire** the exquisite craftsmanship evident throughout the Castle, typified by the rich mahogany panelling and vaulting that has marked out the Library as one of the finest Regency interiors in the world.

**Ascend** the grand staircase and discover the Castle Bedrooms and Victorian bathrooms.

## THE COLLECTOR EARL'S GARDEN

OPENED BY HRH THE PRINCE OF WALES

*'The Collector Earl's Garden aims to stand alone, to be pleasing, timeless and memorable'*

**This new formal garden** is a light-hearted tribute to Thomas Howard, 14th Earl of Arundel (1585 – 1646), known as 'The Collector'. It has been designed by Isabel and Julian Bannerman with Russell Taylor as job architect, and has been conceived as a Jacobean formal garden. It is in fact an imaginative re-creation of what the 'Collector' Earl's formal garden may have been like at Arundel House, his town palace overlooking the Thames in London.

**The domed pergola and fountains** are based on those seen in the garden vista in the background of the famous Mytens portrait of the Countess of Arundel (in the drawing room here), while the various gateways and pavilions are based on Inigo Jones's designs for Arundel House.

**The grand centrepiece** is the rockwork 'mountain' planted with palms and unusual ferns to represent another world, supporting a green oak version of 'Oberon's Palace', a fantastic spectacle designed by Inigo Jones for Prince Henry's Masque on New Year's Day 1611, flanked by two green oak obelisks. This contains a shell-lined interior with a stalagmite fountain and gilded coronet 'dancing' on a jet of water.

**The garden** is divided into formal courts with a centre canal pond, tufa-lined cascade and wild flower labyrinth. The planting is restrained – with scented magnolia grandiflora, Indian Bean Trees, shrubs and semi-tropical plants taking advantage of the walls to trap heat.

## COFFEE SHOP, GIFT SHOP & RESTAURANT

BROWSE, RELAX AND UNWIND IN A MOST BEAUTIFUL SETTING

**The Castle Gift Shop** offers a range of gifts and souvenirs designed to appeal to all tastes and pockets. Foods, confectionery, china, books, textiles and stationery are all available. Many are exclusive to Arundel Castle.

**The Castle Restaurant** offers delicious food in the relaxing atmosphere of the old Refectory. Making the most of produce from the Castle gardens and local area, the Restaurant offers counter service lunches, light meals and drinks.

For a lighter lunch or snack, try **The Coffee Shop** opposite the Restaurant. The Victorian Pantry provides an authentic setting for our tempting selection of sandwiches, cakes, pastries and drinks.
