40MM POSTFORMED LAMINATE SURFACES

## Erosion

## Slate

B = Also available in Artis Bohemian designs on page 06.

Vermont (Slate) worksurface

## ORIGINAL TEXTURES (SLATE)

Make a statement with Slate, the perfect complement for contemporary fascias. Slate's authentic honed surface provides an eclectic natural influence in modern interiors. Available in design integrated splashbacks and upstands for a total look and hygienic low maintenance finish.

Before undertaking any installation work visit [www.artis.co.uk](http://www.artis.co.uk) for comprehensive installation, care and maintenance instructions and guarantees

Contemporary

Stunning tactile surface

Worksurface, splashback and upstand

Liskeard (Erosion) worksurface

## ORIGINAL TEXTURES (EROSION)

Contrast your design with Erosion; an exclusive new texture with a weathered stone vibe.

Radiating softer light, Erosion's undulating surface and understated tones provide a chic backdrop for gloss or painted doors.

Erosion's subtle ambience can be enhanced with design integrated splashbacks or upstands; available in every design.
