

Matte Papers

GD18:

The fully coated, everyday matter paper for full colour graphic printing. Gives vibrant results with dye, oil or pigment based inks.

| Code | Weight | Size | Pack Qty |
|----------|--------|-------------|----------|
| GD180610 | 120gsm | 610mm x 30M | 1 Roll |
| GD180914 | 120gsm | 914mm x 30M | 1 Roll |

GD35 (Easylam):

Formulated with lay flat quality and low show-through, especially with subsequent lamination. This fully coated paper also gives vibrant results with dye, oil or pigment based inks.

| Code | Weight | Size | Pack Qty |
|----------|--------|-------------|----------|
| GD350610 | 165gsm | 610mm x 30M | 1 Roll |
| GD350914 | 165gsm | 914mm x 30M | 1 Roll |

GD70 (Photo Realistic Matt):

Barrier coated to resist cockling even at high ink loads. Non-reflective matt finish. Gives vibrant results with dye or pigment based inks.

| Code | Weight | Size | Pack Qty |
|----------|--------|-------------|----------|
| GD701914 | 180gsm | 914mm x 30M | 1 Roll |

Glossy & Satin Papers

GD48 (Premium Photo Gloss):
