AMAZING

Help for Heroes was founded by Bryn and Emma Parry in October 2007 out of a desire to help the wounded Service men and women returning from Afghanistan and Iraq.

It's only just over four years since they started but their inspiration has helped the British public dig deep and raise over £125 million for our wounded service personnel. Even better still is every £1 raised goes towards helping those who need it, with running costs coming from the Heroes Trading Company NOT donations.

THANKS GUYS....Reward your staff or customers and enter a team in this year's event. Even better enter more than one and get that rivalry building up for weeks before. Since 2001 when HYDRAQUIP started running charity karting events we have had many companies do just that and all have come away buzzing from either just having a great day or because they beat their colleagues. You don't have to be a budding F1 star to enjoy the day just someone who wants to make a bit of a difference just by being there.
