

KARTING for **HEROES.com**

£7748 raised last year, for 2011 we want to raise **£10,000+**

3 MONTHS TO GO!

This year we are looking at exceeding last years totals both in the number of entries and in the amount we raise for Help for Heroes. So far we have 17 teams who have provisionally reserved their team entries, which is only 1 less than the number of teams we started the race with last year. With three months still to go we are on target of having a grid of 30+ teams which should make for some exciting racing on the day.

Last year thanks to some amazing generosity of the teams and their supporters we beat the Buckmore Park record for Bid for Pole. This year based on comments and feedback there are a number of teams taking the bid for pole as serious as the race itself and are determined to buy their way to the front.

Help for Heroes will have a stand at both Buckmore Park for the race and at the Bridgewood Manor for the After Party, where they will have a selection of H4H items for sale and where you can also find out more about this excellent charity and the projects they are funding for our wounded service personnel.

IMPORTANT NOTICE FOR NON KARTERS: Surprisingly the idea of watching karts race around a track for 3 hrs doesn't appeal to everyone. They may even be looking at ways in which they could get out of being there. We have thought this through and have solutions to keep everyone happy - for the discerning shopper there is Bluewater- shoppers heaven (20 mins away), Chatham Dockyard, Chatham Shopping Outlets & for Youngsters, Dickens World (all 15 mins away). No excuses now!
