

MIRACLES' NEW RESPITE BREAK HOLIDAY CARAVAN

The latest 'miracle' being offered by the *Miracles* Charity for families with children undergoing treatment for Leukaemia and other life-threatening disorders is a Holiday Caravan in the Bunn Leisure Holiday Caravan Centre in Selsey, West Sussex.

'*Milagros*' - (named after its Spanish benefactors) - sleeps up to eight and is fully furnished, centrally heated and double glazed. The visiting families will all receive passes to the Waterfront Leisure Complex with its many bars, restaurants, shops, clubs and first class entertainment, plus The Oasis swimming and leisure pools. They will also be treated to a free session at the West Sands Fun Fair and Saltings Diner. The Caravan is situated very close to the Waterfront Complex and just a few yards from the extensive beach and beautiful Nature Reserve.

Already we have bookings for the 2016 school holidays and look forward to being able to offer breaks to families who can take them in term time. Short stays will also be available for Child Carers in need of a break and to other families in poverty and supreme need.

Bookings should be made through Hospital Social Workers or direct to *Miracles*.
