

Sussex Voyages

Coastal Boat Trips from Eastbourne

Dear Activity Leader

Boat Trips for Language Students

Sussex Voyages offer boat trips that are an ideal addition to the seaside experience given by language schools based on the UK south coast.

Over the last 5 years, our 30 minute Powerboat Adventure experience has proven to be extremely popular with both students and their leaders, as it is a mixture of sightseeing and adventure that makes students remark that its one of the best things they have done in the U.K. and want to come back for more.

Sussex Voyages are the only Visit England Quality Assured Visitors Attraction in Sussex offering boat trips, giving you the reassurance that we are an experienced and professional tourist attraction.

Our boat is a 10 metre RIB (Rigid Inflatable Boat), a modern vessel that has safety features far in excess of what is required by the Maritime Coastguard Agency (M.C.A.)

Powerboat Adventure Experience & Prices

Cost, as well as the experience is important when choosing activities for your students.

We recommend our Powerboat Adventure to student groups over our other longer guided tours, as these are great fun with a combination of speed and twists and turns that are ideal fun for teenagers.

Located in Sovereign Harbour, Eastbourne we have great transport links nearby, along with a selection of cafes and retail outlets for students to visit.

Our Powerboat Adventure experience is usually priced at £18 per person, but for language schools & groups we charge £90 per group of 12 - that's a remarkable £7.50 per person.

To book, or for more information visit our website or contact our booking office, or scan this QR code with a smartphone to view a short video of our Powerboat Adventure.

Overleaf we have included an A4 poster you can print out and display for your students. Printed A3 posters available on request.

What Students say

*"It was an amazing
Experience!!, Very funny
I really liked it"*

Robert (Germany)

*"Very Cool,
exciting & fast!"*

Nina (Russia)

*"This boat trip has
been fantastic 😊"*

- Pedro (Spain)

Our incredible Powerboat Adventure around Eastbourne bay, is a perfect combination of twists and turns and sightseeing for students who want to feel the wind in their hair and the spray on their face.

Usual price is £18 per person but we offer this trip at an unbelievable price of just £7.50 per person for student groups.
