## Creative Communications Advanced Diploma

Hi, my name is Bao Ahen Xu from Nan Ning in China. I have been studying a course in Creative communications for the past two years at Hove College, having gained my Advanced Diploma.

Hove College provides an excellent study environment and hi-tech facilities. I really enjoyed studying at the college, receiving knowledge and warm smiles from the professional tutors.

This has helped me get into university study more easily. Hove College has given me a very nice memory.
